News

Happy New Year! We hope you enjoyed your holidays. For the Spring 2013 semester, we will send out our Newsletter every 15th of the month.

During the winter break, we had our officer training and past officers meeting. Both events were very successful in which we had an enormous amount of feedback and suggestions from both committee members and past officers. We thank those who attended.

Our goal for this month is to recruit as many students as possible with the help of the committee members. We plan to recruit heavily during the first two weeks of school by means of "Tabling" in the CBA courtyard and "Room Rep" in all the Accounting classes.

We hope you to see you in our upcoming Alumni events. You will receive our activity packet via e-mail next week. Have a wonderful month.

Sincerely,

The Spring 2013 BAP & AS Officer Board
