Past Events Overview

All of us in Beta Alpha Psi and Accounting Society have had a busy, yet sensational month. Our biggest event, Meet the Firms, was a great success. We had amazing feedbacks from both professionals and students. They were amazed on how organize the event was and everyone enjoyed the food that was served. Going into the event, most students were afraid, but afterwards they said that they had a lot of fun and gained valuable networking experience.

Recently, we had our first Alumni Laser Tag Social. It was a great experience for a lot of our new members, since they were able to network with a group of alumni in a friendly environment while having a lot of fun. We appreciate and thank all the professionals who have been involved in the organization continuously.

The next alumni social will be a beach volleyball and BBQ event at Huntington Beach on Saturday, April 21. A follow-up invitation via paperless post will be sent out soon.

We have multiple speakers for our Speaking Engagements that would like to speak to our members; therefore, we added afternoon meetings on top of our regular meeting hours. For a spring semester, we continuously have 40 to 50 members during each session of the meeting. Out of those 80 to 100 members, we have 10 sophomores who regularly attend these meetings.

BAP Sweatshirts

We purchased Beta Alpha Psi sweatshirts this semester, and some of our alumni who have seen it are interested in purchasing one. It is \$42.00 per sweatshirt, and if you are interested you can purchase one through our website.

Alumni Contact List

Our faculty advisors, Dr. John Lacey and Dr. Sudha Krishnan, would like to know where you had your first accounting internship and where you started your first accounting career. Please help us update our list by sending us an e-mail with these information along with your current contact information. If you can please share this to other alumni at your current workplace, we would greatly appreciate it. Thank you for your help.
