## Past Events Overview

Greetings from Beta Alpha Psi & Accounting Society from CSULB! We hope you are all doing well. We have had a busy yet successful month. Our biggest event of the semester, Meet the Firms, was recently held on October 3, 2013 and the event was a great success. We had a total of 26 firms attend, including six new firms! We have received a lot of good feedback from professionals and members. The event was a very beneficial experience to our members.

We also recently had our community service events at the LA Food Bank, OC Food Bank, and Long Beach Kids Fun Run. All events were highly attended by members. Everyone had a great experience getting involved to better our community.

Thank you for your continuous support!
